February 2003

The Resource Center at the California Department of Alcohol and Drug Programs (ADP) is pleased to present the 2003 Publications Catalog. More than 600 publications, posters, brochures, etc., on various issues related to alcohol and other drugs, are included in the catalog. Those of you who are familiar with the catalog will note there are a few changes in format. However, we hope the new format will make it easier to find what you need. All publications are always available to you at no cost.

The catalog is divided into four sections:

Section I – Introduction

A summary of the Resource Center's services and publication ordering process.

Section II – Numerical Listing

Provides the publication number, description of each publication, its length, source, year published, and a web site if downloadable from the Internet.

Section III – Alphabetical Listing

Provides the publication title and publication number for ease in locating the publication description in the Numerical Listing.

Section IV – Subject Listing

Publications are divided by subject and appear with other publications that are on the same topic.

Publications in this catalog are gathered from many sources. The contents, opinions, and beliefs expressed in the publications are the views of the authors, and are not intended as official ADP policy. Questions or comments regarding these documents can be directed to the organization listed as the source. Publication sources can be found on pages iv-viii.

A customer evaluation form is enclosed with each order. Please take a few moments to complete and return this form to us. In order to improve our services, comments about services and suggestions on publications are important.

ABOUT THE RESOURCE CENTER

The Resource Center, California Department of Alcohol and Drug Programs (ADP), maintains a comprehensive collection of alcohol, tobacco, and other drug information for use by California communities, families and individuals, organizations, prevention and treatment programs, appointed and elected officials, and other policy makers. The Resource Center (RC) is a member of the Regional Alcohol and Drug Awareness Resource (RADAR) Network, and the Substance Abuse Librarians and Information Specialists (SALIS). RADAR and SALIS connect clearinghouses, prevention and treatment resource centers, national, international, and local organizations with special interests in the exchange and dissemination of alcohol, tobacco, and other drug information throughout the United States and abroad. The RC is open to the public from 8 a.m. to 5 p.m., Monday through Friday, **excluding state holidays**.

Following are brief descriptions of services that are provided by the RC at no cost.

CLEARINGHOUSE

More than 600 alcohol and other drug brochures, pamphlets, research papers, posters, program descriptions, technical manuals, and other helpful materials are available through the Clearinghouse. The Clearinghouse not only provides information on an individual basis, but also provides materials upon request for community meetings, conferences, workshops, schools, and prevention and treatment facilities. Resource Center staff continually work to find additional resources and provide new materials.

INFORMATION, REFERRAL, AND ELECTRONIC COMMUNICATION

The RC maintains two free statewide telephone numbers (1-800-879-2772) and (1-800-662-4357) for California residents to use in their search for alcohol or other drug treatment information or publications. Requests for treatment information are referred to the alcohol and other drug programs' administrative office in the county in which the caller resides. The Resource Center can also be reached from outside California by calling (916) 327-3728.

Persons who call after 4:30 p.m. and before 8 a.m. are requested to leave a voice mail message including their area code and phone number. Calls are returned the following business day. **THE RC PROVIDES NON-EMERGENCY INFORMATION ONLY, AND DOES NOT OPERATE A CRISIS LINE.**

Through an extension of ADP's home page www.adp.ca.gov, the Resource Center maintains a number of electronic communication links. The Resource Center web site provides easy access to information about the Clearinghouse and the Library, the Publications and Videocassette Catalogs, and links to many alcohol, tobacco, and other drugs Web sites.

LIBRARY

The RC Library maintains a collection of specialized alcohol and other drug reference sources. Library staff can help locate books, journals, reports, videotapes, or other source materials. These materials are available for loan directly to employees of government agencies. Individuals and organizations can obtain these materials through an interlibrary loan from their local library. Library staff can also provide assistance with research projects, reference questions, and referrals. On-line databases, including library catalogs and Internet sources, are searched to provide up-to-date reference and research support.

Videos are available through a loan process. A catalog of available videos can be ordered through the RC Clearinghouse.

ORDERING INFORMATION

HOW TO ORDER

- Locate the publications you want to order from the catalog. An **order form** is provided on the following page and may be duplicated as needed.
- Complete the order form clearly. Include the street address, city, state, zip code and telephone number. **DO NOT USE POST OFFICE BOX NUMBERS.**
- Publications are limited to **ten (10) titles per month** in order to provide maximum service to all requestors. However, you may order again at any time. If you need to order more than ten (10) titles per month, please contact the Resource Center (RC).
- A **Client ID number** is assigned upon your first request. The number is located next to the date on the packing list. For faster and more efficient service, please use this number on future orders.
- Allow **3-5 weeks to receive your order**. Orders are shipped by 4th class U.S. mail or UPS, depending on the most economical postage rate.
- Unless under special circumstances, orders cannot be filled on a walk-in basis, or taken over the telephone. Materials may be ordered by **U.S. mail, fax, or e-mail**.

LIMITED QUANTITY PUBLICATIONS

Some items are limited to the quantity that can be ordered and is noted at the end of the publication description in the catalog. However, you may reproduce publications, or contact the RC if you need to order more than the limited quantity.

QUANTITIES SHIPPED/BACK ORDERS

Quantities shipped are based on amounts in stock at the time orders are received. Depending on the supply and demand of any particular item, you may not receive your complete order. Files are not kept on back orders; however, you can reorder at any time if your request is not completely filled.

CONFERENCE, WORKSHOP, TRAINING EVENT AND LARGE QUANTITY ORDERS

The RC provides large quantities of materials for conferences, workshops, training events, school activities, etc. Please contact the RC at least 4-6 weeks prior to your function. Staff will work with you in order to have your materials delivered on time.
